#### OLD FASHIONED SENATOR MR. FORAKER OF OHIO

He Persists in Standing on His Feet When the Present Vogue is to Stand on the Head.

An eastern exchange has the followng on United States Senator Joseph Benson Foraker of Ohio:

In the Ohio Magazine former Lieuenant-Governor Harding gives an appreciation, from long intimate knowldge, of Senator Foraker. Some smug and superior "independent" critics of their minds, if these are open to any correction of old prejudices:

"He is not a great politician. At any rate, he hasn't worked much at it in the past dozen years. He has no patience for details, no care for organizwho could not tell unpleasant facts and machine have little knowledge of the real truth. The organization tha lowed him fifteen years ago was not of his making, though it was his to command. Today no federal politician so little possessed of a machine." He has long been in disgrace with the

court. Those who seek its favor can't afford to stick to him. The loaves and fishes drop into more obedient hands. be cdeaned and polished by all banks. public questions on their merits. He refuses to serve in the crowded ranks of "the king's friends." His opinions plant for themselves; that small banks and his votes are not be had on detaining any good germicide. That popularity, and yet how easily and quickly his course on some important should be formed in every town and questions has been approved. He led germicide the coins they have in pos- President has given the project up. In session before spending them. (A weak the Brownsville matter Mr. Foraker about which there has been so much banks, and cause the children in school facts. Now, what can make a manmore marked and unpopular than to large part of the United States insists on standing upon its head?

Mr. Harding shows us how Mr. For-aker regards his duties as a Senator. "A couple of days prior to his de-
